

Groundskeeper/Caretaker/Maintenance Role

39 hours per week - shift work, including one/two 5am starts
Reporting directly to the Duty Manager responsible for this area

Outdoor maintenance experience, including pitch line marking, synthetic pitch maintenance and experience using hedge cutting equipment etc. is an advantage but not essential.

The role entails a variety of responsibilities including the upkeep of:

- Entrance, car park, pathways and landscape areas
- Artificial grass pitches (Astroturf pitches)
- Athletics track and facilities
- Natural turf infield (Grass Pitch)
- and internal duties including power washing, deep cleaning, equipment set up and other ad hoc related job activities as assigned by the Duty Manager

The upkeep of the above areas includes but is not limited to: litter & leaf control, sweeping, weed and moss control, hedge trimming, drains and gullies, leaf blowing, pruning shrubs and trees, divot repairs and equipment set up on pitches e.g. goal posts.

Staff Benefits:

- Competitive hourly rates
- Teaching supplement
- Payment during break periods
- Permanent contracts
- Free use of gym and swim facilities
- Free fitness classes
- Staff training
- Uniform
- Staff discounts

Interested applicants should send a copy of their most up to date Curriculum Vitae along with a cover note stating what role they are interested in and how many hours they are available to work, to: Amanda Menton (amanda.menton@thewatershed.ie)
