

How to access the Swimming Pool

From June 28th 2021

We are not taking Pool bookings, admissions are stopped when we reach capacity as per government guidelines

- Capacity in our pool per session is based on Swim Ireland guidelines, we stop admission when capacity is reached in any session
- **Please be aware that swim sessions can reach capacity very quickly, particularly at weekends**
- Where a child is aged three and under and requires FULL support from parent/carer, this pair can be considered as one person
- Please arrive as early as you can before the swim session is due to start
- If we are full when you arrive, we will offer to sell you an admission in to the next available session
- Please note that we need all users to vacate the Changing Areas within 15 minutes of the end of their swim session

What you need to know

- Everyone must complete a Self Declaration/Contact Tracing Form which is to be handed in at Reception for each visit
- We recommend that you arrive 'Beach Ready' i.e. with your swimwear on under your clothing
- Everyone must wear the Wristband given to them at Reception, including children (but excluding children aged three and under who are regarded as one unit with their parent/adult carer)
- On entering the Changing Village, please observe the One Way System (Keep Right) and maintain Social Distancing in all areas at all times
- You must pre-shower and you must wear a swim hat at all times
- Please vacate the pool promptly when instructed by the Lifeguards at the end of your session
- Post swim showers are for a max duration of 30 seconds to rinse the chlorine from your skin, no shampoo and no shower gel is allowed
- Please dry and change as swiftly as possible to allow staff full opportunity to perform their cleaning and sanitisation duties in preparation for the next session
- The use of hairdryers and shavers is not permitted

Children's Hours

Children's hours (0 – 15 years) are temporarily extended and children are welcome to attend any session starting between the hours of 9am and 7pm, all other times are for adults (16 years plus) only

Health Suite

- Our Health Suite (Sauna, Jacuzzi, Steam Room) may only be accessed by persons aged 16 years and over
- No more than one person may use the jacuzzi, steam room or sauna at a time
- Use of each feature is limited to a maximum of fifteen minutes
- Please observe the individual guidelines and regulations for the use of each feature which are on display in the Health Suite
